

Our vision...

Marshfield Pre-School is an Ofsted Outstanding pre-school which has been serving the local community for over 50 years. We are proud to offer your child the best pre-school experience – a place where they will be valued and challenged, make lasting friendships, where they can play, create, laugh and learn together with others.

Our vision...

Here at Marshfield Pre-School, we believe:

- **every child is unique**

We value every child as an individual and take time to reflect on each child's needs and interests to create an environment in which every child can thrive.

- **every child is born a competent learner**

We provide opportunities for each child to explore and be challenged so that they can achieve their potential. We create an atmosphere in which every child feels secure, confident and happy.

- **that a child's parent is his or her first and primary educator**

We work in close partnership with parents to support each child's learning journey.

- **that our staff are our most valuable resource**

Each staff member is valued for what they bring to the Pre-School and time and resources are made available to support each staff member's professional development.

- **in celebrating differences**

We are proud to offer a safe, exciting and challenging environment to all children whatever their family background, ability, gender, race and religion.
